

3D Generalist Cover Letter

84956 Skiles SpurThompsonstad, MT 25680

Dear Alexis Donnelly,

In response to your job posting for 3D generalist, I am including this letter and my resume for your review.

In the previous role, I was responsible for editing and compositing services to create 3D virtual videos depicting proposed designs.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Senior level proficiency in Maya
- Senior level proficient in VRay – shader development & lighting techniques properties
- Senior level experience using Vray in production setting
- Senior level experience matching digital lighting w/ practical photography/live action plates
- Senior level experience with lighting digital assets using HDRi
- Expert knowledge of colour space and how/when to apply
- Experience mentoring other artists
- Maya, 3D Studio Max, ZBrush (preferred), Photoshop experience and other current gen technical tools

Thank you for your time and consideration.

Sincerely,

Rory Kautzer
