

# 3D Generalist Cover Letter

109 Wuckert DaleMarikoshire, AK 87038-1628

**Dear Hayden Reinger,**

In response to your job posting for 3D generalist, I am including this letter and my resume for your review.

In my previous role, I was responsible for administration, technical support, and strategic input for 3D and BIM modeling tools used across the Line of Business and Enterprise.

Please consider my experience and qualifications for this position:

- Experience matching digital lighting with practical photography/live action plates
- Experience with lighting digital assets using HDRi
- Understanding of colour space and how/when to apply
- Past experience in VFX within film and/or television
- Strong attention to detail and follow through organized
- Understanding of Nuke
- Thorough understanding of colour space and how/when to apply
- Expert in Maya and VRay

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Brooklyn Bernhard
