

# 3D Generalist Cover Letter

879 Gail Gardens South Annafurt, ME 39490

**Dear Justice Gleason,**

I would like to submit my application for the 3D generalist opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for 3D laser scanning services and/or support to projects as required, including performing the scans, processing/modeling of the scan data, and associated deliverables (utilizing Leica Cyclone and other industry scanning software programs).

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Senior level understanding of CG lighting principles
- Senior level experience with full CG environments
- Senior level experience matching digital lighting with practical photography/live action plates
- Senior level knowledge of colour space and how/when to apply
- Proficient in Maya
- Proficient in V-Ray – shader development & lighting techniques properties
- Working knowledge of MARI, Substance Painter, Zbrush
- Experience in SpeedTree and/or VUE an asset

**Thank you for your time and consideration.**

Sincerely,

Story Armstrong
