

# ABA Therapist Cover Letter

1414 Pollich PortsThereseland, HI 72063

**Dear Reese Rath,**

I would like to submit my application for the ABA therapist opening. Please accept this letter and the attached resume.

Previously, I was responsible for professional therapeutic services to behavioral health patients in a manner consistent with the philosophy and objectives of Capital Regional Behavioral Health Center.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- RBT certification preferred
- Maintain open and respectful communication with co-workers, physicians, patients, family members, and third party payors at all times
- Provide direct treatment and document for patients for whom ABA is medically necessary

**Thank you for considering me to become a member of your team.**

Sincerely,

Sam Gibson
