

Access Analyst Cover Letter

44485 Lueilwitz PlaceLeannonside, NY 87384

Dear Parker Raynor,

I would like to submit my application for the access analyst opening. Please accept this letter and the attached resume.

Previously, I was responsible for technical leadership in infrastructure migration methodologies and techniques including application movements into the cloud including implementation of Azure or AWS in large enterprise environments.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Excellent time management and organizational skills with a strong attention to detail
- Write and edit reports and other content analysing economic, political and policy developments within China
- Work with colleagues to build a set of coherent and consistent forecasts across China and contribute directly to the quality of Access China's overall service offering
- Help to manage part of Access China's pool of external contributors
- Native level English written language skills
- Access and Excel
- Imports, exports and pivot tables
- PeopleSoft and SAP Success Factors

I really appreciate you taking the time to review my application for the position of access analyst.

Sincerely,

River Leuschke
