

Access Developer Cover Letter

36388 Romaguera FlatEast Jaimieton, NM 00448

Dear Max Mills,

I would like to submit my application for the access developer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for consultation and solutions for Data quality, standardization and/or interfaces during the design and ongoing care of master data and reference data.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Understanding of LDAP, Active Directory as it relates to integrating applications with Directory services
- Strong analytical, evaluative and problem-solving capabilities
- Self motivated and multi-tasking individual that works well in a team environment
- Education and experience in Accounting
- Working knowledge of MQ solutions
- Experience writing Microsoft SQL queries
- Familiarity working with Microsoft Access DB applications
- Practical knowledge working with data in Microsoft Excel

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Justice Boyer
