

Account Service Manager Cover Letter

65556 Lockman Corner Rubymouth, WV 54477-7133

Dear Reese Crist,

I would like to submit my application for the account service manager opening. Please accept this letter and the attached resume.

Previously, I was responsible for leadership on the operational integration of all infrastructure products with a focus on accuracy and timeliness.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Escalation management and Continuous Improvement drive
- Understanding of Converged Infrastructure, Vblock and virtualization solutions
- Professional demeanour – punctuality, professional attire
- Has connects and relationships with key Defense Channel Partners & Consultants
- Should have done Enterprise vertical business planning and execution
- Should have a technology orientation and can articulate well at CXO levels
- Food service / Food retail experience
- Sales experience in either Agilent's markets, or in enterprise services sales (software, IT)

I really appreciate you taking the time to review my application for the position of account service manager.

Sincerely,

Emerson Littel
