

Account Specialist, Client Development Cover Letter

814 Tillman InletBertramtown, WA 85917-8961

Dear Emerson Kuhlman,

I would like to submit my application for the account specialist, client development opening. Please accept this letter and the attached resume.

Previously, I was responsible for regular support to franchisee partner for achieving commercial success by providing available tools of Own retail and strengthen retail execution in the assigned stores to meet or exceed commercial goals and KPI's, and build Brand equity.

My experience is an excellent fit for the list of requirements in this job:

- Identify industry trends and disruptors, analyze financial impact, and present solutions to support the design and implementation of home entertainment initiatives
- Collaborate with cross-functional teams including Finance, Research, Product Management, and Marketing to support the budgeting and forecasting process
- Expand the cross-functional relationships to include a broader mix of end users
- Increase client engagement through delivery of consumer, business, and market insights, leveraging the full suite of NPD data sets and analytical capabilities

Thank you for considering me to become a member of your team.

Sincerely,

Frankie Jaskolski
