

Accounting Analyst Senior Cover Letter

2509 Huang Lodge Louveniaton, ME 29777-6823

Dear Justice Bogisich,

Please consider me for the accounting analyst senior opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for expertise and leadership, utilizing their prior relevant experience with development of financial and economic models, strategic plans, asset management studies, utility rate studies, utility pricing models, other financial studies, valuation or government regionalization / consolidation assignments, to plan and develop solutions for our clients.

My experience is an excellent fit for the list of requirements in this job:

- Experience in "Big 4" type organizations (or comparable), in consulting or audit
- Track record in business analysis and process improvement
- Expertise in Microsoft Excel, Word, PowerPoint, and Visio
- Educated up to a High School standard or equivalent
- Understand key drivers, assumptions, allocation methods and accounting principles for P&L components
- Proficiency with Microsoft Office Suite with demonstrated intermediate Microsoft Excel skills
- Big 4 experience and/or strong public/corporate mix background
- Experience with general ledger systems and proficiency in finance data model concepts

I really appreciate you taking the time to review my application for the position of accounting analyst senior.

Sincerely,

Corey Douglas
