

Accounting Analyst Senior Cover Letter

839 Shane NeckEast Duncanstad, ME 86370

Dear Skyler Green,

Please consider me for the accounting analyst senior opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for technical and policy expertise and conduct research in the areas of utility economics, accounting, financial analysis, operations, and public policy related to regulated utility planning, state and regional energy policies, and compliance and to assist in the oversight, implementation, and strategic planning of cutting-edge utility programs and services.

Please consider my qualifications and experience:

- Assist with review of supporting materials to be used for the quarterly earnings releases and like documents
- Interact with corporate finance, the divisional accounting groups and other company personnel in order to gain an understanding of the business and build efficiency in financial reporting
- Interface with external auditors and SEC reporting outside service providers
- Implementation of controls in accordance with laws and regulations
- Maintain current knowledge of internal control changes and refine internal control process
- Working ERP knowledge (Dynamics preferred)
- Prior knowledge of SAP is desirable
- Experience in applying GAAP to large company situations

Thank you for your time and consideration.

Sincerely,

Spencer Denesik
