

Accounting Analyst Senior Cover Letter

4370 Bert Plaza New Clarehamouth, WI 21470-2798

Dear Emerson Breitenberg,

I submit this application to express my sincere interest in the accounting analyst senior position.

Previously, I was responsible for analysis and support for growth opportunities and prepare and update financial forecasts for non-utility products and services, gas asset optimization and other areas as needed.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge of SAP (or other large ERP), Hyperion, and EDW is preferred
- Previous experience supporting customer facing events
- Work effectively in both a team atmosphere, independently
- Excellent communication skill- oral, written and presentation
- Technical accounting knowledge to include experience with debits, credits, accruals and general ledger
- Advanced PC Skills including proficiency with Microsoft Excel & macros
- Advanced presentation skills, with comfort presenting to groups of varying size and level, and able to explain complex process & theory to an audience with limited technical knowledge
- Familiarity with Lawson GL

Thank you for taking your time to review my application.

Sincerely,

Justice Reichert
