

Accounting Controller Cover Letter

29560 Hauck Springs South Flossie, AK 30249-6703

Dear Spencer Schuppe,

I would like to submit my application for the accounting controller opening. Please accept this letter and the attached resume.

Previously, I was responsible for leadership on the integration of various back office financial functions, systems and processes to improve efficiency and consistency across the operations of each business unit.

Please consider my qualifications and experience:

- Monitor production cost all along the controlling cycle (plan – report – analyze – decision support)
- Identify and quantify optimization potentials and work out recommendations by changing the mix of suppliers
- Support in preparing make or buy decisions
- Advise Divisional Business Controlling, Local Business Controller stakeholders (management) in critical decision making with appropriate analyses and insights
- Strong communicator, with a comfort speaking to all areas and levels within the firm and from audit
- Attention to detail and a structured mindset with process/continuous improvement orientation
- Experience preferred with automated financial systems, database management, worksheet-modeling tools (Excel), PowerPoint, Word
- Strong attention to detail and a structured mindset with process/continuous improvement orientation

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
