

Accounting Leader Cover Letter

2701 Zane Trail Kassulkeside, LA 01646

Dear Parker Purdy,

I submit this application to express my sincere interest in the accounting leader position.

In my previous role, I was responsible for accounting controls in accordance with US and local GAAP.

My experience is an excellent fit for the list of requirements in this job:

- Strong technical (GAAP/FRS) and financial accounting expertise
- Retail inventory accounting experience preferred
- The role involves direct responsibility for the management of a group of resources that provides accounting services and support for the regions
- The role involves direct liaison with hotels and resolution of their day to day queries related to all aspects of accounting services
- Knowledge of generally accepted accounting principles and practices IFRS guidelines
- Proficient in Microsoft Office with strong emphasis in Microsoft Excel
- Serve as signing delegate on SSARS 21 financial statement preparation engagements
- Assist Consultant Leader with consultant sourcing for proposals

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Sutton Orn
