

Accounting Leader Cover Letter

77052 Jacobi StravenueKautzerburgh, AK 43665-4845

Dear Onyx Spencer,

In response to your job posting for accounting leader, I am including this letter and my resume for your review.

In the previous role, I was responsible for technical accounting guidance across all functions ensuring compliance with applicable GAAP, IFRS, IRGS, and internal controls, and provide findings to management, including participating in discussions with external auditors.

Please consider my experience and qualifications for this position:

- Strong knowledge of US GAAP, with exposure to standards relating to business combinations, asset capitalization, leases, and share based compensation
- Experience working with a large corporate ERP system, PeopleSoft preferred
- Extensive experience working with complex accounting areas for large corporate entities
- Knowledge and understanding of insurance terms, principles and practices, especially as applies to the London Market
- Cert CII or working towards
- Commercial insurance experience in the areas of administration of insurance premium and claim transactions
- Demonstrates basic computer skills and experience with multiple programs with superior skill in Excel
- Understanding of insurance contracts, contract language and application in a Technical Accounting framework

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
