

Associate Product Manager Cover Letter

9132 Hudson Falls Toddhaven, KY 08557

Dear Casey Stoltenberg,

I am excited to be applying for the position of associate product manager. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for additional support, as needed, to the product lifecycle management process, including market requirements, product definition, go-to-market, and promotional elements, as needed across the portfolio.

Please consider my qualifications and experience:

- Self-motivation and a proactive mind set
- Excellent, confident communications skills, both verbal and written
- Experience with Agile or iterative product development methodologies
- Passion for simplifying digital customer experiences and cutting through the clutter
- High comfort level working with web technologies and architecture
- Thrives in ambiguity
- Strong sense of responsibility and persistence in a demanding environment
- Computer proficiency within Windows based environment and other job related applications including web-based applications, social media and the internet

Thank you for considering me to become a member of your team.

Sincerely,

Peyton Jerde
