

# Associate Product Manager Cover Letter

67452 Medhurst ShoalEdwinbury, NM 35467

**Dear Quinn Kling,**

I am excited to be applying for the position of associate product manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for concrete and clear guidance to EMEA Head Franchise partners to build the business cases, launch and develop E-Commerce in their market.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of the Bioscience industry and/or biological sciences
- Demonstrated experience in conducting, collecting, and analyzing internal and external market related data, including voice of customer
- Knowledge of primary cells, stem cells, drug discovery and ADME/TOX preferred
- Experience launching products into the Life Sciences research market
- Experience in external negotiations to gain cooperation
- Experience of presenting high-level information to multiple audiences, including scientists, executives and non-scientific personnel
- Working knowledge of GDS scripting tool
- Good leadership & people management

**Thank you for taking your time to review my application.**

Sincerely,

Oakley Lindgren
