Dear Haven Schulist,

I submit this application to express my sincere interest in the associate software engineer position.

In the previous role, I was responsible for subject matter expertise in Java coding conventions, data structures, and best practices.

My experience is an excellent fit for the list of requirements in this job:

- Completed a related internship within the past 12 months preferred
- Recent Object Oriented (OO) software development experience in the Java and C/C++ programming languages
- Experience with development of Linux device drivers
- Strong knowledge of .Net or Java EE platform
- Proficiency in C# or Java programming languages
- OOP-related topics
- Tools and libraries associated with the TDD, CI, CD
- SQL, basic database-related topics

Thank you for taking your time to review my application.

Sincerely,

Indigo Kozey
