

Cashier Cover Letter

75365 Lakin PointPort Lupe, NY 93246-0862

Dear River Adams,

In response to your job posting for cashier, I am including this letter and my resume for your review.

Previously, I was responsible for customers with information on procedures or store policies Operations * Compute and record totals of transactions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Climb on ladders
- Offer daily feedback to the Front End Manager and Store Management about the Department and employee experience
- Demonstrated level of empowerment to resolve customer complaints
- Trains cashiers/merchandisers in job functions
- Exhibits clear understanding of all BJ's Membership options, Including the importance of renewals, upgrading to our BJ's perks programs
- Offer all appropriate membership products such as membership renewal, EASY renewal option, My BJ's Perks programs and awards redemption
- Scans all club merchandise through a point-of-sale system to ensure accurate inventory counts and accurate purchase totals for Members
- Collects payments via cash, check, or other charge payments from members

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Peyton Schaefer
