

Financial Reporting Accountant Cover Letter

9295 Sauer RapidPort Pauline, LA 95870

Dear Avery Davis,

I would like to submit my application for the financial reporting accountant opening. Please accept this letter and the attached resume.

Previously, I was responsible for subject matter expertise on Customer source systems, Master Data, Hierarchy management, General Ledger set up and financial control and reporting processes.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Basic documentation skills, technical accounting knowledge
- Proficient in other Microsoft Suite (Outlook, PowerPoint, Word)
- Excellent knowledge of English language, both verbal and written
- Production of management and financial accounts for the UK, Europe, India and South Africa and review and oversight of the monthly results for all group entities
- Management and coordination of indirect and operational tax related activities
- Development of budgets and forecasts for non-headcount related expenses
- Strong working knowledge of US GAAP and SEC requirements
- Analyzing and resolving accounting discrepancies

Thank you for your time and consideration.

Sincerely,

Haven Murazik
