

Financial Reporting Accountant Cover Letter

40551 Upton MountainLangville, OH 60178

Dear Quinn Barrows,

In response to your job posting for financial reporting accountant, I am including this letter and my resume for your review.

In my previous role, I was responsible for leadership to complete activities which include: Financial Reporting, P&L, SG&A expenses, allocations, reconciliations, general ledger maintenance, and financial close.

Please consider my qualifications and experience:

- Exposure to manufacturing preferred
- Preferred - Knowledge of SAP general ledger and Hyperion Financial Management reporting tool
- Public accounting experience in audit preferred
- Financial audit or statement preparation preferred
- Understanding of IFRS and financial analysis/reporting requirements
- Accounting experience within the energy sector preferred
- Strong knowledge in US GAAP
- CPA or eligible to sit for CPA exam strongly preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Baylor Stiedemann
