

# Financial Systems Analyst Cover Letter

77741 Grisel TrackPort Mathew, MN 92648-3918

**Dear Shiloh Buckridge,**

Please consider me for the financial systems analyst opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for operational and technical support for enterprise applications/systems by engaging in the various phases of the software maintenance and development lifecycle.

My experience is an excellent fit for the list of requirements in this job:

- Oracle 9i/10g/11i
- JD Edwards World A9.2
- Demonstrated excellent written and oral communications
- Strong accounting/finance knowledge, preferably with SAP
- Strong problem solving capabilities with an aptitude for self-learning
- Good system and data analytical skills
- Able to interact with Business leaders and IT, being able to operate comfortably at all levels of the organization
- Deep knowledge of financial processes and Oracle Financials

**Thank you for considering me to become a member of your team.**

Sincerely,

Skyler Weissnat
