Financial Systems Analyst Cover Letter

7537 Koepp GrovesHaaghaven, WI 15889-6739

Dear Avery Senger,

I would like to submit my application for the financial systems analyst opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for expert technical knowledge in complex large Enterprise Systems client engagements in the Asia Pacific region (hardware and software).

Please consider my qualifications and experience:

- Willing to occasionally work during off hours
- Provide expert knowledge in the area of Financial Planning Tools with IBM TM1 related to processes technical expertise
- Understand and follow appropriate SDLC, SOX validation processes and application change management processes
- Proficient in VBA, and SQL programming languages
- Knowledge of applicable finance computer software and applications (Oracle e-business Suite, Peoplesoft Financials, Oracle Hyperion Planning, Essbase)
- Good understanding of system architecture and design
- Partner with the line of business and the applications functional team to provide technical leadership for design, develop and deployment of financials systems solutions
- BS in Computer Science, Information Technology, Accounting, Finance, Economics, or similar

I really appreciate you taking the time to review my application for the position of financial systems analyst.

Sincerely,

Shae Bosco
