

# Financial Systems Analyst Cover Letter

194 Isaac Shoals Constancebury, TN 30547-1208

**Dear Zion Ziemann,**

I would like to submit my application for the financial systems analyst opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for analysis, design, development, deployment, and lifecycle support for innovative hardware systems and applications for GROUP legacy and Target Platform systems.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Demonstrated experience with SQL and MDX
- Demonstrated analytical analysis
- Experience with supporting FP&A
- Experience in SAP BW and BPC using data manager packages, monitoring daily data feeds and proactively rectifying data load and data accuracy errors
- Global Implementation experience with new SAP trends such as S/4 HANA, Simple Finance
- Strong analytical, communication, and proven leadership skills, along with intellectual curiosity
- Review client contracts and invoices to identify billing scenarios
- Author project requirements

**I really appreciate you taking the time to review my application for the position of financial systems analyst.**

Sincerely,

Shae Sanford
