

Investment Banking Analyst Cover Letter

90520 George RadialLake Marinda, SD 77951

Dear Blake Goodwin,

In response to your job posting for investment banking analyst, I am including this letter and my resume for your review.

In the previous role, I was responsible for ad-hoc reporting requests to Auditors, US Accounting or Corporate Finance or other internal or external partners.

Please consider my experience and qualifications for this position:

- Experience in credit underwriting
- Financial modeling, financial statement analysis, and accounting skills / knowledge
- Prior experience in investment banking, or corporate banking, preferred
- Superior technical financial and analytical abilities
- MBA from top Tier school/ or professional qualification in Accountancy/Finance
- Experience working in an agile team, producing user stories, and wireframes
- A good understanding of Equity or Fixed Income Middle Office or Settlement Operations would be helpful but is not essential
- A broad understanding of operational functions and their influence on the lifecycle of a trade would be beneficial

I really appreciate you taking the time to review my application for the position of investment banking analyst.

Sincerely,

River Rogahn
