

Investment Banking Analyst Cover Letter

4294 Eddy RampGenemouth, ME 10228-1658

Dear Azariah Bosco,

Please consider me for the investment banking analyst opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for technical guidance and interpretation on the Global Accounting Manual to the divisions (finance and business) and Corporate functions.

Please consider my experience and qualifications for this position:

- Strong interest in and knowledge of financial markets and the energy or energy infrastructure sectors
- A diligent approach to documenting and representing discovered situations
- Selection of a suitable tool or process that supports updating and enhancement with new discoveries, or as architectural change alters the original output
- Consider the temporal aspects of a global organisation
- Sell-side M&A experience is preferred
- Prior Consumer/ Retail sector experience is preferred
- Detail oriented with strong analytical / financial modeling abilities
- Internship or prior work experience in healthcare or financial services industry preferred

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Baylor Bartell
