

IT Auditor Cover Letter

29337 Glover Bridge Jeffersonmouth, FL 94115

Dear Sawyer Kuhic,

I submit this application to express my sincere interest in the IT auditor position.

In the previous role, I was responsible for strong ITIL practice guidance and controls to ensure quality is maintained and to meet business objectives.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Preparing and presenting detailed audit reports to IA management
- Performing ad-hoc special projects
- Participating in departmental initiatives to support the further growth of the audit function
- CISA, CISSP, CPA, or CIA (completed or in process) preferred
- Oracle Financials, AS400/iSeries, Oracle and SQL databases, PeopleSoft HRMS, HFM, Windows Active Directory, and UNIX OS
- Professional certifications such as CISA, CPA, or CIA
- IT Audit supervisory experience on multiple projects through completion and reporting
- ERP business systems knowledge and experience with evaluation and assessment

Thank you for your time and consideration.

Sincerely,

Ari Abernathy
