

# Manager, Technology Cover Letter

710 Harber KeyWest Richie, PA 60122

**Dear Lennon Mohr,**

I would like to submit my application for the manager, technology opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for strategic IT consulting services to a wide range of MNP's clients in the public, private and not-for-profit sectors including IT Strategy and Planning, Process Redesign, System Selection, Implementation Project Management, Implementation Reviews and IT Systems Optimization.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Fluent English and Japanese, both written and spoken
- Very strong radio network technology competency
- Deep understanding of Mobile Broadband and Mobile Internet industry and business
- Sound knowledge in LTE-Advanced, 5G, Internet of Things (IoT), and Cloud
- Experience in mobile communications system development, test, and engineering
- Excellent communication skills in global organization with virtual set-up
- Experience managing risk / compliance programs in larger companies covering operation from different geographies
- Proven experience managing compliance/regulatory programs including legislation from different countries

**Thank you for considering me to become a member of your team.**

Sincerely,

Drew Gerhold
