

.NET Lead Cover Letter

3850 Frankie RampChantalside, TN 52315-4785

Dear Azariah Haley,

I would like to submit my application for the .NET lead opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for value added financial services, analysis and support to the business stream, as required.

Please consider my qualifications and experience:

- Understanding of the "DevOps" approach and good practices
- An understanding of how to protect web applications from common security vulnerabilities
- Recognized as an expert within Allegis and/or its operating companies
- Assignments are typically longer-term and require incumbent to anticipate or predict outcomes
- In-depth knowledge of industry's business environment
- Leads projects with notable risk and complexity
- Solid understanding of software development life cycle models expert knowledge of both Agile and traditional project management principles and practices
- Anticipates and solves unique and complex problems with broad impact on the business

I really appreciate you taking the time to review my application for the position of .NET lead.

Sincerely,

Parker Fay
