

.NET Software Engineer Cover Letter

88852 Art VistaJohnnyside, SC 39243

Dear Cameron Trantow,

I submit this application to express my sincere interest in the .NET software engineer position.

In the previous role, I was responsible for coding and implementation of an ASP.NET web application.

Please consider my qualifications and experience:

- Experience with CRM (Salesforce.com, MS Dynamics CRM)
- Familiarization with common design patterns
- Demonstrable knowledge of object-oriented techniques
- Demonstrable knowledge of development-oriented database concepts
- Our developers work very closely with strong supporting teams and will need excellent interpersonal skills
- Strong SQL knowledge and understanding of SQL Server
- Experience with Microsoft tools including Visual Studio and SQL Server
- Self starter that can work independent or in a team environment with little to no oversight

Thank you for taking your time to review my application.

Sincerely,

Baylor Gislason
