My experience is an excellent fit for the list of requirements in this job:

- Willingness to be immersed in a design culture where creating learning opportunities for project teams is key
- Inclusion and Collaboration experience
- Knowledge of HR systems, policies and practices
- Knowledge of HR and Inclusion and Collaboration
- Lean Six Sigma Black Belt certified with experience leading and implementing Lean Manufacturing principles and Six Sigma methodology for sustained continuous improvement
- Manufacturing leadership experience in a union facility
- Prior experience creating and managing product lifecycles which includes creating product roadmaps and requirements preferred
- Prior experience defining market strategy for product lines preferred

Thank you for taking your time to review my application.

Sincerely,

Rory Vandervort
