**Dear Spencer Veum,**

In response to your job posting for product manager, I am including this letter and my resume for your review.

In my previous role, I was responsible for information that allows the Category Product Manager to determine the £RRP of the Mobile product lines.

Please consider my experience and qualifications for this position:

- Knowledge of control/console protocol and functionality
- Demonstrated experience in basic finance as it relates to pricing models, material costs, margin calculation
- Demonstrated collaboration skills to work cross functionally
- Experience writing detailed user stories, managing a backlog and product roadmap
- Experienced in obtaining and synthesizing customer feedback from various sources, assessing root needs, and integrating into a cohesive design
- Good Command of oral& written English and Chinese
- Creative product/program development
- Exhibit excellent analytical thinking

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Parker Grant
