

# Program Consultant Cover Letter

44809 Johnie PlazaPort Wilberside, GA 43118

**Dear Bellamy Considine,**

In response to your job posting for program consultant, I am including this letter and my resume for your review.

In the previous role, I was responsible for guidance on the design and use of DevSecOps pipelines and use of security tools in such agile development methods.

Please consider my qualifications and experience:

- Specific experience and knowledge of DoD processes
- Experience with MS Office Suite and reporting skills
- Previous DoD FM Certification is highly desirable
- Experience with all phases of project or program development, design and field implementation including ongoing administration
- Experience learning, training and consulting to a technical subject demonstrating a knowledge base at the subject matter expert level
- Experience identifying and leading process improvements
- Experience writing procedure, process, communication and training materials
- Specific knowledge of data visualization tools such as PowerBI or Watson highly preferred

**Thank you for your time and consideration.**

Sincerely,

Onyx Bauch
