

Research Analyst Cover Letter

2723 Lin CommonVandaberg, MA 36927

Dear Azariah Zemlak,

I would like to submit my application for the research analyst opening. Please accept this letter and the attached resume.

Previously, I was responsible for excel and SQL support to the Utility management team.

Please consider my experience and qualifications for this position:

- Knowledge of the Numeris mainly Infosys and PMB databases, Qualtrics, a major asset
- Bilingualism (proficient in spoken and written English/French)
- Real estate research experience and/or passion
- Detailed knowledge of Microsoft Office Suite, most specifically Excel and PowerPoint
- Experience with ArcGIS, computer programming languages, and/or a statistical software package
- Experience in research is preferred, with commercial real estate research experience a benefit
- Manage the Economics Support inbox, replying to queries directly related to the data from both internal and external clients
- Strong command in written english

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Dakota Jacobi
