

# Senior Manager, Technology Cover Letter

84578 MacGyver GroveSchmittberg, TX 54785

**Dear Haven Cummings,**

In response to your job posting for senior manager, technology, I am including this letter and my resume for your review.

In my previous role, I was responsible for world class service and support at a property and portfolio-level to assigned NWP Services Corporation clients.

Please consider my experience and qualifications for this position:

- Solid understanding of technology industry is a strong asset
- Excellent knowledge of hand-coded HTML5, CSS3, JavaScript
- Hands-on experience working with Object Oriented JavaScript (OOJS), JavaScript libraries and their practical uses in building complex interactive experiences
- Familiarity with MV\* frameworks (AngularJS, Backbone.js, or similar) and knowledge of common JavaScript design patterns
- Experience using fluid grids, and building responsive/adaptive websites using Bootstrap etc
- Understanding of SEO and accessibility and how they relate to development
- Moderate to strong graphics manipulation/optimization skills using Photoshop
- Highly entrepreneurial background with leadership experience

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Landry Mann
