

Senior Manager, Technology Cover Letter

8389 Tristan Turnpike Smithburgh, FL 34189

Dear Skyler Labadie,

Please consider me for the senior manager, technology opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for tax compliance and consulting to a diverse base of partnership clients in the Real-Estate, Crypto Currency, Venture Capital, Private Equity and/or Wine Industry.

Please consider my experience and qualifications for this position:

- Some knowledge of PHP
- Experience providing tax services for Technology companies is preferred
- Conducts regularly scheduled internal and client status calls to discuss project progress and status
- Provides project oversight, participates in project kickoff and planning sessions, establishes and monitors milestone dates and assures adherence to project timelines
- Support key stakeholders to ensure that project objectives and delivery dates are successfully met in a cost-effective manner
- Develop strong working relationships with assigned clients and FIS resources
- Maintains comprehensive knowledge of company policies and procedures
- Serve as a primary point of contact for issues and escalations for the customer during implementations

Thank you for considering me to become a member of your team.

Sincerely,

Finley Smitham
