

3D Graphics Programmer Cover Letter

193 Runolfsdottir VistaTowneton, DE 27251

Dear Campbell Ferry,

In response to your job posting for 3D graphics programmer, I am including this letter and my resume for your review.

In my previous role, I was responsible for at least three video samples of your motion graphics and editing work on reel (via URL), and specify your role in each production;

My experience is an excellent fit for the list of requirements in this job:

- Experience of at least one graphics API (DiretX11-12/Vulkan/OpenGL4+, etc)
- Knowledge of C++ and OOP\OOD
- Familiar with multithreading and memory management
- Creating real-time procedural training simulations

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Casey Cummings
