

# AC Technician Cover Letter

8834 Ashanti Parkway  
Bryanburgh, TX 71579

**Dear Campbell Boehm,**

Please consider me for the AC technician opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for safe, efficient operation and maintenance of all equipment in an Industrial Ammonia Refrigeration Plant.

My experience is an excellent fit for the list of requirements in this job:

- A good team player who possesses high initiative and energy
- Any certificate and diploma in Engineering
- Higher NITEC/NITEC/Diploma in Electronics/Electrical/Mechanical Engineering
- Min Diploma in Aerospace/ Mechanical/ Material Engineering or equivalent
- Comfortable to work on shopfloor environment and office
- Maintenance, repair, and installation of HVAC systems and equipment for the hotel
- Servicing, rebuilding, troubleshooting, cleaning, modifying and operating HVAC, refrigeration, controls, equipment and related systems
- Responding to quick calls and service as needed for air conditioning, cooler, freezers and hood systems

**Thank you for considering me to become a member of your team.**

Sincerely,

Hayden Marks
