

Academic Associate Cover Letter

23885 Boyle Union New Horacebury, MN 84039-0882

Dear Zion Yundt,

I would like to submit my application for the academic associate opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for core research capability for the project, with a focus on analyzing current and emerging policies related to higher education – specifically student loans and veterans, and student loan data generated by both the project’s research and external sources such as the U.S.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Passion for a high standard of excellence with continuous improvement
- Knowledge of diversity, equity, and inclusion issues and trends in higher education
- Collaborative approach to decision making and problem
- Exemplary written and oral communication skills evidenced by portfolio of writing projects and digital design/web management work
- Professionalism in interpersonal and group communication skills to facilitate collaboration with a wide range of individuals and groups from culturally diverse publics across multiple offices and units
- General knowledge of NCAA rules
- Extensive and practical knowledge of NCAA rules
- Manage the daily operations of the ELI program

Thank you for considering me to become a member of your team.

Sincerely,

Shiloh Crona
