

Accenture Strategy Cover Letter

10741 Leesa Turnpike West Maynard, CT 50083-9474

Dear Zion McLaughlin,

I submit this application to express my sincere interest in the accenture strategy position.

Previously, I was responsible for expert recommendations based on strong front-to-back understanding of EA frameworks combined with a strong understanding of emerging technologies.

Please consider my qualifications and experience:

- Minimum of 3 yrs experience in Utilities industry
- Minimum of 1 yr of strategy consulting experience
- Minimum 6 months of experience with SAP BO Analytics
- Hands-on WordPress experience
- Hands-on experience with email marketing platforms
- Experience producing marketing emailings, for internal or external audiences
- Direct responsibility for producing an online publication
- Experience in digital communications, digital operations, digital journalism, or digital marketing

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Oakley Reilly
