

Access Consultant Cover Letter

4304 Arlie Roads Carlosburgh, SD 09404-7727

Dear Charlie Grady,

I would like to submit my application for the access consultant opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for interpretation for encounters in the clinical and non-clinical areas for members of the deaf and hard of hearing community in any CHI Health settings.

Please consider my qualifications and experience:

- Design and architecture of ISAM, FIM, ISIM environments
- Knowledge of Appliance offerings for ISAM, ISIM, IGI
- Advanced skills in Installation, configuration, customization, integration and troubleshooting of Security Access Manager, Security Identity Manager, Federated Identity Manager
- Advanced Security Directory Integrator knowledge for integration work
- Custom Extended Authentication Interface (EAI) for ISAM
- Knowledge in IAM security trends
- Provides updates monthly to the Clinical Manager on regional training activities and support provided in region (CE courses, Signature Solutions Assessments, Gap analysis audits,) per activities delineated as a part of their compensation plan
- Assists in building a strong regional bench of contract nurses members which will help to limit travel costs

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Dakota Streich
