

Access Consultant Cover Letter

3782 Stanton Gateway North Karonburgh, MI 28918-3904

Dear Avery Pfannerstill,

Please consider me for the access consultant opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for training and support to faculty, staff and students on the Center's philosophy (social model of disability), policies, and procedures.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Manage the existence instance of RSA Aveksa IAM
- Support regular system administration & health check activities
- Support the integration requirement of RSA Archer with other tools
- Support Incident Management Process for the Archer tool
- Experience on integration of new applications and credential sources
- Experience in RSA Aveksa IAM product
- Basic knowledge of other RSA products (Archer GRC, Security ID etc) would be advantageous
- Basic knowledge of other IAM products in region

Thank you for taking your time to review my application.

Sincerely,

Marion Considine
