

Access Consultant Cover Letter

6575 Mante KeysWest Trinidad, AK 66583

Dear Blake Yost,

I am excited to be applying for the position of access consultant. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for professional consultation to managers and employees in areas of medical non occupational (short term disability, long term disability) and occupational claims, return to work, medical accommodation, wellness, absence management solutions, complex claim and issue resolution.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Support the development of whitepapers, case studies, technical blue prints for IAM architectures and services
- Work with client partners to provide RFQs/RFPs for IAM opportunities
- Provide technical feedback to IAM partners to drive new features, enhancements and updates to IAM solutions
- Contribute to pre-sales activities and delivery of IAM projects
- Strong understanding of IAM deliverables, remediation and workflow management
- Strong working knowledge of IAM technologies like LDAP Server and Apache Directory Studio, Microsoft ADFS
- Has successfully deployed three or more IAM solutions with industry standard products
- Expertise in creating reports/executive dashboards to reflect industry security compliance control status (ISO 27001, HIPAA, FedRAMP, PCI-DSS)

I really appreciate you taking the time to review my application for the position of access consultant.

Sincerely,
