

Access Control Specialist Cover Letter

1739 Eldon Circle East Kirbyhaven, SD 16091-7980

Dear River Jacobson,

I would like to submit my application for the access control specialist opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for direction and guidance for providing configuration and office support for the Smart Construction environment or other construction project automation technologies used.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Perform data analysis to identify role commonality for pilot applications
- Develop application profiles in coordination with the business
- Obtain business sign-off on profiles
- Role-based Access Management experience in financial services
- Data management/organizational skills
- Possess a current polygraph
- Prior military, access control or security escorting experience preferred
- Familiarity with computing platforms, operating systems and databases, including Windows, UNIX, Databases (Oracle, Sybase, MS SQL), Exchange, Oracle Applications and Active Directory user access administration protocols

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Haven Ward
