

# Access Control Cover Letter

221 Mike MallMcKenziestad, NH 05875

**Dear Dakota Cummerata,**

I submit this application to express my sincere interest in the access control position.

In the previous role, I was responsible for engineering support for Honeywell TDC3000, Honeywell Experion, Marketing Terminal, and Asphalt Plant Control systems to include (software, hardware, metering devices and instrumentation).

Please consider my qualifications and experience:

- Highly skilled in verbal and written communications
- Proficient in access controls for any ERP environment
- Expert knowledge on SAP Security and Authorizations
- Very good finance background
- SAP GRC knowledge would be an added advantage
- Better Understanding of the access risks and controls
- Audit background with IT audits or ERP audits around business processes and access will also suffice
- Experience with managing third party security integrators for new security platforms ongoing support for existing security platforms

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Cameron Wolff
