

Access Control Cover Letter

26767 Luetzgen BrooksNienowmouth, VT 44254

Dear Emery Harris,

I would like to submit my application for the access control opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for support for Marketing Terminal Control systems to include (software, hardware, metering devices and instrumentation).

Please consider my qualifications and experience:

- Experience with identifying requirements, both regulatory (TSA, FAA, CBP,) and business specific for improving security platforms
- Excellent communication, computer and leadership skills
- Experience building relationships and networking with government regulatory agencies
- Extensive experience with airport regulatory agencies
- Foundational understanding of SAP
- Basic understanding of Role based Access for SAP Security
- Research, investigate, and compile information
- Utilize the monitoring tools to proactively resolve issues

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Shae Price
