

# Access Manager Cover Letter

95409 Ayako SpurNew Dustinmouth, CT 51247-3075

**Dear Emerson Wuckert,**

In response to your job posting for access manager, I am including this letter and my resume for your review.

Previously, I was responsible for direct supervision and operational review of the pre-registration, pre- certification/authorization and financial clearance activities of the department.

Please consider my experience and qualifications for this position:

- Coordinate access activities pertaining to the decision making units (DMU) within the strategic account in cooperation with KAM and RML
- Explore opportunities for direct engagements and contractual agreements such as central purchasing and shared savings agreements
- Develop and maintain a relevant network of decision makers and opinion leaders in the field of health care purchasing
- Extensive) experience in hospital financing, in particular in purchasing/tendering
- Technical expertise concerning pricing, reimbursement and innovative contractual agreements beyond discounts
- At least intermediate knowledge of Health Economics
- Willingness to travel and in possession of valid driver's license
- Understand the configuration of the health structure, policies and regulations, stakeholders, HTA, in order to maximize access and results, achieving specific agreements with health administration of the territory assigned, with the supervision of the RAM Associate Director

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Baylor Reynolds
