

# Access Manager Cover Letter

3337 Calista Parks Woodrowshire, KY 64789

**Dear Hayden Toy,**

I submit this application to express my sincere interest in the access manager position.

In my previous role, I was responsible for cross coverage for all functional areas in PFS - registration, financial counseling, pre-admission, pre-certification, financial assistance and cashiering services.

Please consider my experience and qualifications for this position:

- Proficiency with personal computer and database management
- Management of identity and access management team
- Hands own experience on IBM Security Access Manager/Tivoli Access Manager, IBM Security Directory Server/Tivoli Directory Server, Tivoli Directory Integrator
- Technical analysis and estimation for new integration requirements
- Analyze, design and code for Systems integration
- Coordinate with various teams interfacing with Identity & Access management infrastructure
- Support the System Integration Testing (SIT) and User Acceptance Testing (UAT)
- Coordination with Product vendor for Capacity Planning and Sizing

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

River Williamson
