

Access Manager Cover Letter

488 Merle Garden Hollisburgh, SC 91509

Dear Finley Bode,

Please consider me for the access manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for financial information to patients obtained during verification process by financial clearance staff, to include charge estimates, discounts, and patient financial assistance.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Strategic thinking, and strong cross-functional execution experience (across brands, therapeutic areas, medical, sales and marketing)
- Functional experience in Reimbursement & Market Access
- Experience in creation and management of local HTA submissions
- Broad knowledge of government and private payer reimbursement
- Leverages P5 (patients, professionals, providers, payers, policymakers) stakeholders research to identify unmet customer needs
- Anticipates how Shire's objectives will impact customers
- Masters in Health Economics or relevant an added advantage
- Identify congestion in the network to the GEO Network Manager and leverage existing network capacity when appropriate, to defer and/or avoid capital expenditures

Thank you for taking your time to review my application.

Sincerely,

Spencer Stehr
