Dear Stevie Hodkiewicz,

I would like to submit my application for the accessories designer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for technical drawings and CADs to communicate design concepts, including multiple views and detailed sketches as necessary.

My experience is an excellent fit for the list of requirements in this job:

- Will work very closely with Third Party Vendors from conception through production
- Works with technical designer and pre-production partner to ensure design packages are complete and accurate
- Partner with merchandising to assort line and develop product appropriate for business needs
- Excellent design skills especially drawing and painting photography and manipulating artwork on the computer
- May have limited domestic travel
- Extensive knowledge of scarves, gloves, and hats (cut and sew hats, baseball caps, trucker caps.)
- Create colour CADs and merchandizing boards based on design and marketing input
- Possess excellent communication and analytical skills have basic knowledge of garment construction, silhouettes, color ways, sewing techniques, fabrication and trim

Thank you for your time and consideration.

Sincerely,

Charlie Cormier
