

Account Development Cover Letter

840 Bruno Underpassllonatown, MO 55434-7036

Dear Max Satterfield,

I submit this application to express my sincere interest in the account development position.

In my previous role, I was responsible for proactive support and solutions for tools and middleware partners' most challenging issues by connecting them with the right people at Microsoft.

Please consider my qualifications and experience:

- A thorough knowledge of the business to business sector and mobile payments would be beneficial
- Reliable OEM background in OEM launch phases, approval processes and logistic/demand production processes
- Influence and gain consensus, internal/external
- Teamwork, Proactive, Results-Driven
- Track record of its own performance within CE requirements
- Understand Japanese culture and corporate work methods
- Based in Auburn Hills, MI
- Proficiency with Microsoft Office products knowledge of other database systems preferred

I really appreciate you taking the time to review my application for the position of account development.

Sincerely,

Max Fahey
